

♪Sequoia Middle School Band♪

It's a new school year and that means a new Sequoia Hawk's band. The Sequoia band also has a new band teacher. Her name is Ms. Wendt. I asked Ms. Wendt how she thought the band would do this year and she said "I think we'll be good, once we get the March down." She also added that "...their tones are getting better every day." The band will be good since more people are choosing different kinds instruments, for example the bass clarinet, tuba and French horn. You can see the Sequoia band play in their first performance playing the song "Promotion" by Ed Chenette on November 11, 2009 at the Veterans Day parade.

Sequoia Hawk's Band Schedule

November 11,2009	Veteran's Day Parade	All day at Main Street
December 3,2009	Porterville Christmas Parade	Evening at Main street
December 17,2009	School wide Music Assembly	For Sequoia Middle School only

This is a tentative performance schedule. There may be additional performances though out the year because of other community functions. I will get an updated schedule as soon as possible!
