

## **“BACK TO SCHOOL NIGHT”**

Sequoia Middle School will hold their back to school night in the late afternoon of Thursday, September 10. Back to school night will last from 4:45 to 6:30 p.m. At 4:45 please meet in the multi-purpose room in the gym building for the general information meeting. At 5:00 p.m., the classroom visitations will start. The classroom visits will end at 6:30 p.m. The purpose of back to school night is to inform parents about how their child or children are doing in school and what they have been participating in. It will also give the parents a chance to get to know the teachers. As Mr. Cox said, “Getting to know parents would be a fantastic opportunity.”
