

Sequoia vs. Woodlake

Sequoia will be playing Woodlake September 17th on Thursday at home. We've had a good start so far. We've had three victories and only one loss so far which is really good. Katie Wicks, a student here at Sequoia says "We're going to smash Woodlake," Our coaches Mr. Haas and Mr. Salazar expect us to win this game. Both the JV and Varsity teams have been practicing very hard and are confident they are going to win. Be sure to stay after school and support your school. Go Hawks!
